

BOARD CHANGE AT PRiM

PRiM is delighted to announce the appointment of a new board member to its board of directors, **Thierry López**, founder and former president of *PRiM*.

Thierry López has joined **PricewaterhouseCoopers Luxembourg** as Experienced Director responsible for the assignments in the Risk Management in Advisory. He will manage the “Key Focus Area” Risk Management and will be forming part of the group industry Banking. Prior to this appointment he was head of Group Risk Management in KBL and Head of Global Market Sales.

Thierry teaches Risk Management in various institutions, including at HEC, the Management School of the University of Liège (B) as invited Professor in the complementary Master in Financial Risk Management.

Thierry will add valuable experience to the current team of board members and we look forward to welcoming him (again!).

Michael May,

On behalf of the Board of *PRiM*
