Dear member,

This year PRIM is supporting the 12th European Captive Rendezvous. The rendezvous celebrating its 25th year is the largest alternative insurance conference in Europe. The conference, hosted by the Risk and Insurance Research Group (RIRG) brings together the leading experts in the alternative insurance field providing delegates with expert opinion on a wide range of topics to both enhance and educate.

As part of the celebration the rendezvous will be putting the spotlight on a panel of select European regulators and prominent captive owners including IKEA, Deutsche Bank and Nestlé. Below is a link to the conference agenda, the venue and booking forms;
