The conference material is based on the first outcomes of the **newly set up IIA Banking Working Group** encompassing a **broad range** of Internal Audit experts from **large / medium to small** Luxembourg banks as well as from all **major audit firms**.

Four members of the IIA Banking Working Group will be the speakers:

- * Suzanne Weber, Internal Audit Manager, KBL European Private Bankers;

Further to the **MiFID presentation** especially tailored to internal auditors' needs, a **panel discussion**, fostering a lively exchange of views between the conference attendees and some IIA Banking Working Group members will be held.
